The Samuel School special events are a time when we come together as a family to serve one another. Not only does the school sincerely need and appreciate the assistance of our families as we raise funds—many bonds of friendship could be formed through this service that will last while our children are here and beyond. Please review the options below and **select at least two events**. You will be contacted prior to the events with specific details. Thank you for serving us. We pray you are blessed by this service! Please return to the office by Wednesday, August 22 .
